

Unleashing Potential

Sage School Clay Shoot is moving on up!!!

On November 13, 2020 Sage School will be hosting our 8th Annual Clay Shoot at the beautiful Burge Plantation in Mansfield, GA. I am writing to you today not only thank you for your past participation, but to ask you to prayerfully consider sponsoring our event again. This year we have a special guided quail hunt for our top sponsors!

Sage is a non-profit Christian school located in Suwanee, GA that educates students with dyslexia to exit into traditional schools and be successful. We have our students for a short time, typically 2-4 years. In those critical years we give our students the tools necessary to become literate, to become confident, to become successful.

Your sponsorship of Sage School's Clay Shoot helps our efforts to spread the word about dyslexia while helping families, educators and professionals provide real solutions.

Funds raised from the annual Clay Shoot help:

- Saving lives of students who struggle...
 - It is estimated that up to 15% (close to one in seven) of the population has dyslexia – a language-based learning disability. (National Institute of Health)
 - 44% of females and 57% of males with learning disabilities drop out of high school. (National Adult Literacy Survey)
 - Only 13% of students with learning disabilities attend any post-secondary school program. (National Longitudinal Transition Study)
 - 50% of juvenile delinquents tested were found to have undetected learning disabilities. (National Center for State Courts and the Educational Testing Service)
 - 60% of adolescents in treatment for substance abuse have learning disabilities. (Hazelden Foundation)
 - 31% of adolescents with learning disabilities will be arrested 3-5 years out of high school. (National Longitudinal Transition Study)
 - Up to 40 percent of all adults on welfare have learning disabilities. (Learning Disability Institute).

- The leading variable accounting for suicides among youths under the age of 14 is learning disabilities. (Director of the Los Angeles Suicide Prevention Center)
- Support the dyslexia community through seminars and Sage outreach meetings
- Deliver teacher training and continuing education
- Provide the greater Gwinnett and Athens communities with dyslexia information, tutoring and referral services
- Plain and simple, your sponsorship keeps Sage operating

Become a Sponsor

Sponsorship means not only helping struggling readers, it means great brand exposure. Participants consist of businesses and families associated with dyslexia as well as shooters who love the sport. With sponsorship, you will have high visibility to over 1,000 alumni through our newsletters, recognition on our quality long sleeve t-shirt, social media and website exposure, and connecting/networking the day of the event.

You will receive:

- High visibility to Gwinnett/Athens area consumers of all ages
- Increased brand recognition as our event grows each year
- Pre-event, online, social media and Sage School website marketing
- Extensive event day recognition through signage and personal interaction with participants
- Your brand on t-shirts, Sage School website and emails to our alumni base
- 100% tax-deductible donation
- Our top 4 sponsors will also receive tickets for a special quail hunt, dinner and overnight accommodations for November 12th.
