

Mastering Dyslexia

APR 19, 2024

On April 19th, 2024 Sage School will host our third annual Golf tournament and Raffle, "Mastering Dyslexia", at Lake Lanier Islands.

Order of events:

9:00 am	Registration, networking, hot breakfast, announcements, putting contest
10:30 am	Shotgun start
3:30 pm	Cocktails, dinner, awards, silent auction, and raffle

Lake Lanier Legacy Golf Courses is a throwback to classically designed courses. It is everything great courses are known for: beauty, challenging to the skills and memorable to the spirit...and when you're done, you will be yearning to return.

Immediately following the Golf tournament, golfers will stay on site to enjoy a wonderful cocktail hour, dinner, raffle, and silent auction.

About Sage School:

Sage is a non-profit, 501c3, Christian school located in Lawrenceville, GA that educates students with dyslexia to exit into traditional schools and be successful. We have our students for a short time, typically 2-4 years. In those critical years we give our students the tools necessary to become literate, to become confident, and to become successful.

Your sponsorship of Sage School's Mastering Dyslexia, Golf tournament and Auction, helps fulfill our mission of **"equipping dyslexic students to thrive."**

Funds raised from Mastering Dyslexia helps save lives, literally.

- Dyslexia is the most common learning disability and impacts one in five students or about 20% of the population. (Dyslexia Center of Utah)
- The leading variable accounting for suicides among youths under the age of 14 is learning disabilities. (Director of the Los Angeles Suicide Prevention Center)
- 44% of females and 57% of males with learning disabilities drop out of high school. (National Adult Literacy Survey)
- Only 13% of students with learning disabilities attend any post-secondary school program. (National Longitudinal Transition Study)
- 50% of juvenile delinquents tested were found to have undetected learning disabilities. (National Center for State Courts and the Educational Testing Service)
- 60% of adolescents in treatment for substance abuse have learning disabilities. (Hazelden Foundation)
- 31% of adolescents with learning disabilities will be arrested 3-5 years out of high school. (National Longitudinal Transition Study)
- Up to 40 percent of all adults on welfare have learning disabilities. (Learning Disability Institute).

Plain and simple, your sponsorship changes the life of a child with dyslexia and saves our community.

Benefits of Sponsorship

Sponsorship means not only helping struggling readers, it also means great brand exposure. Participants consist of businesses and families associated with dyslexia as well as golfers who love the sport. With sponsorship, you will have high visibility to over 1,000 alumni through our newsletters, recognition on event day, social media and website exposure, and connecting/networking the day of the event.

You will receive:

- High visibility to Northeast, Georgia area consumers of all ages
- Increased brand recognition as our event grows each year
- Pre-event, online social media and Sage School website marketing
- Extensive event day recognition through signage and personal interaction with participants
- Your brand Sage School website and emails to our alumni base
- 100% tax-deductible donation
